1 Peter 4:7-11

April 25, 2010

### **Since our time is limited what should our response be?**

Peter says that while anticipating Christ's return our lives should be marked by these virtues...

**1. Prayer – Prayer fuses a vertical link between ourselves and God.**

- A. Clear mindedness
- B. Self-control

**2. Love for believers**

Philippians 2:14    Romans 13:8-11    James 5:9

**3. Hospitality – inconveniencing yourself for others.**

And do not complain about it. Showing kindness.

**4. Serving others through our gifts**

**5. Praise**

When we do things God's way for God's glory, He gets the praise.
